Investments

Northern Aegean Harbor

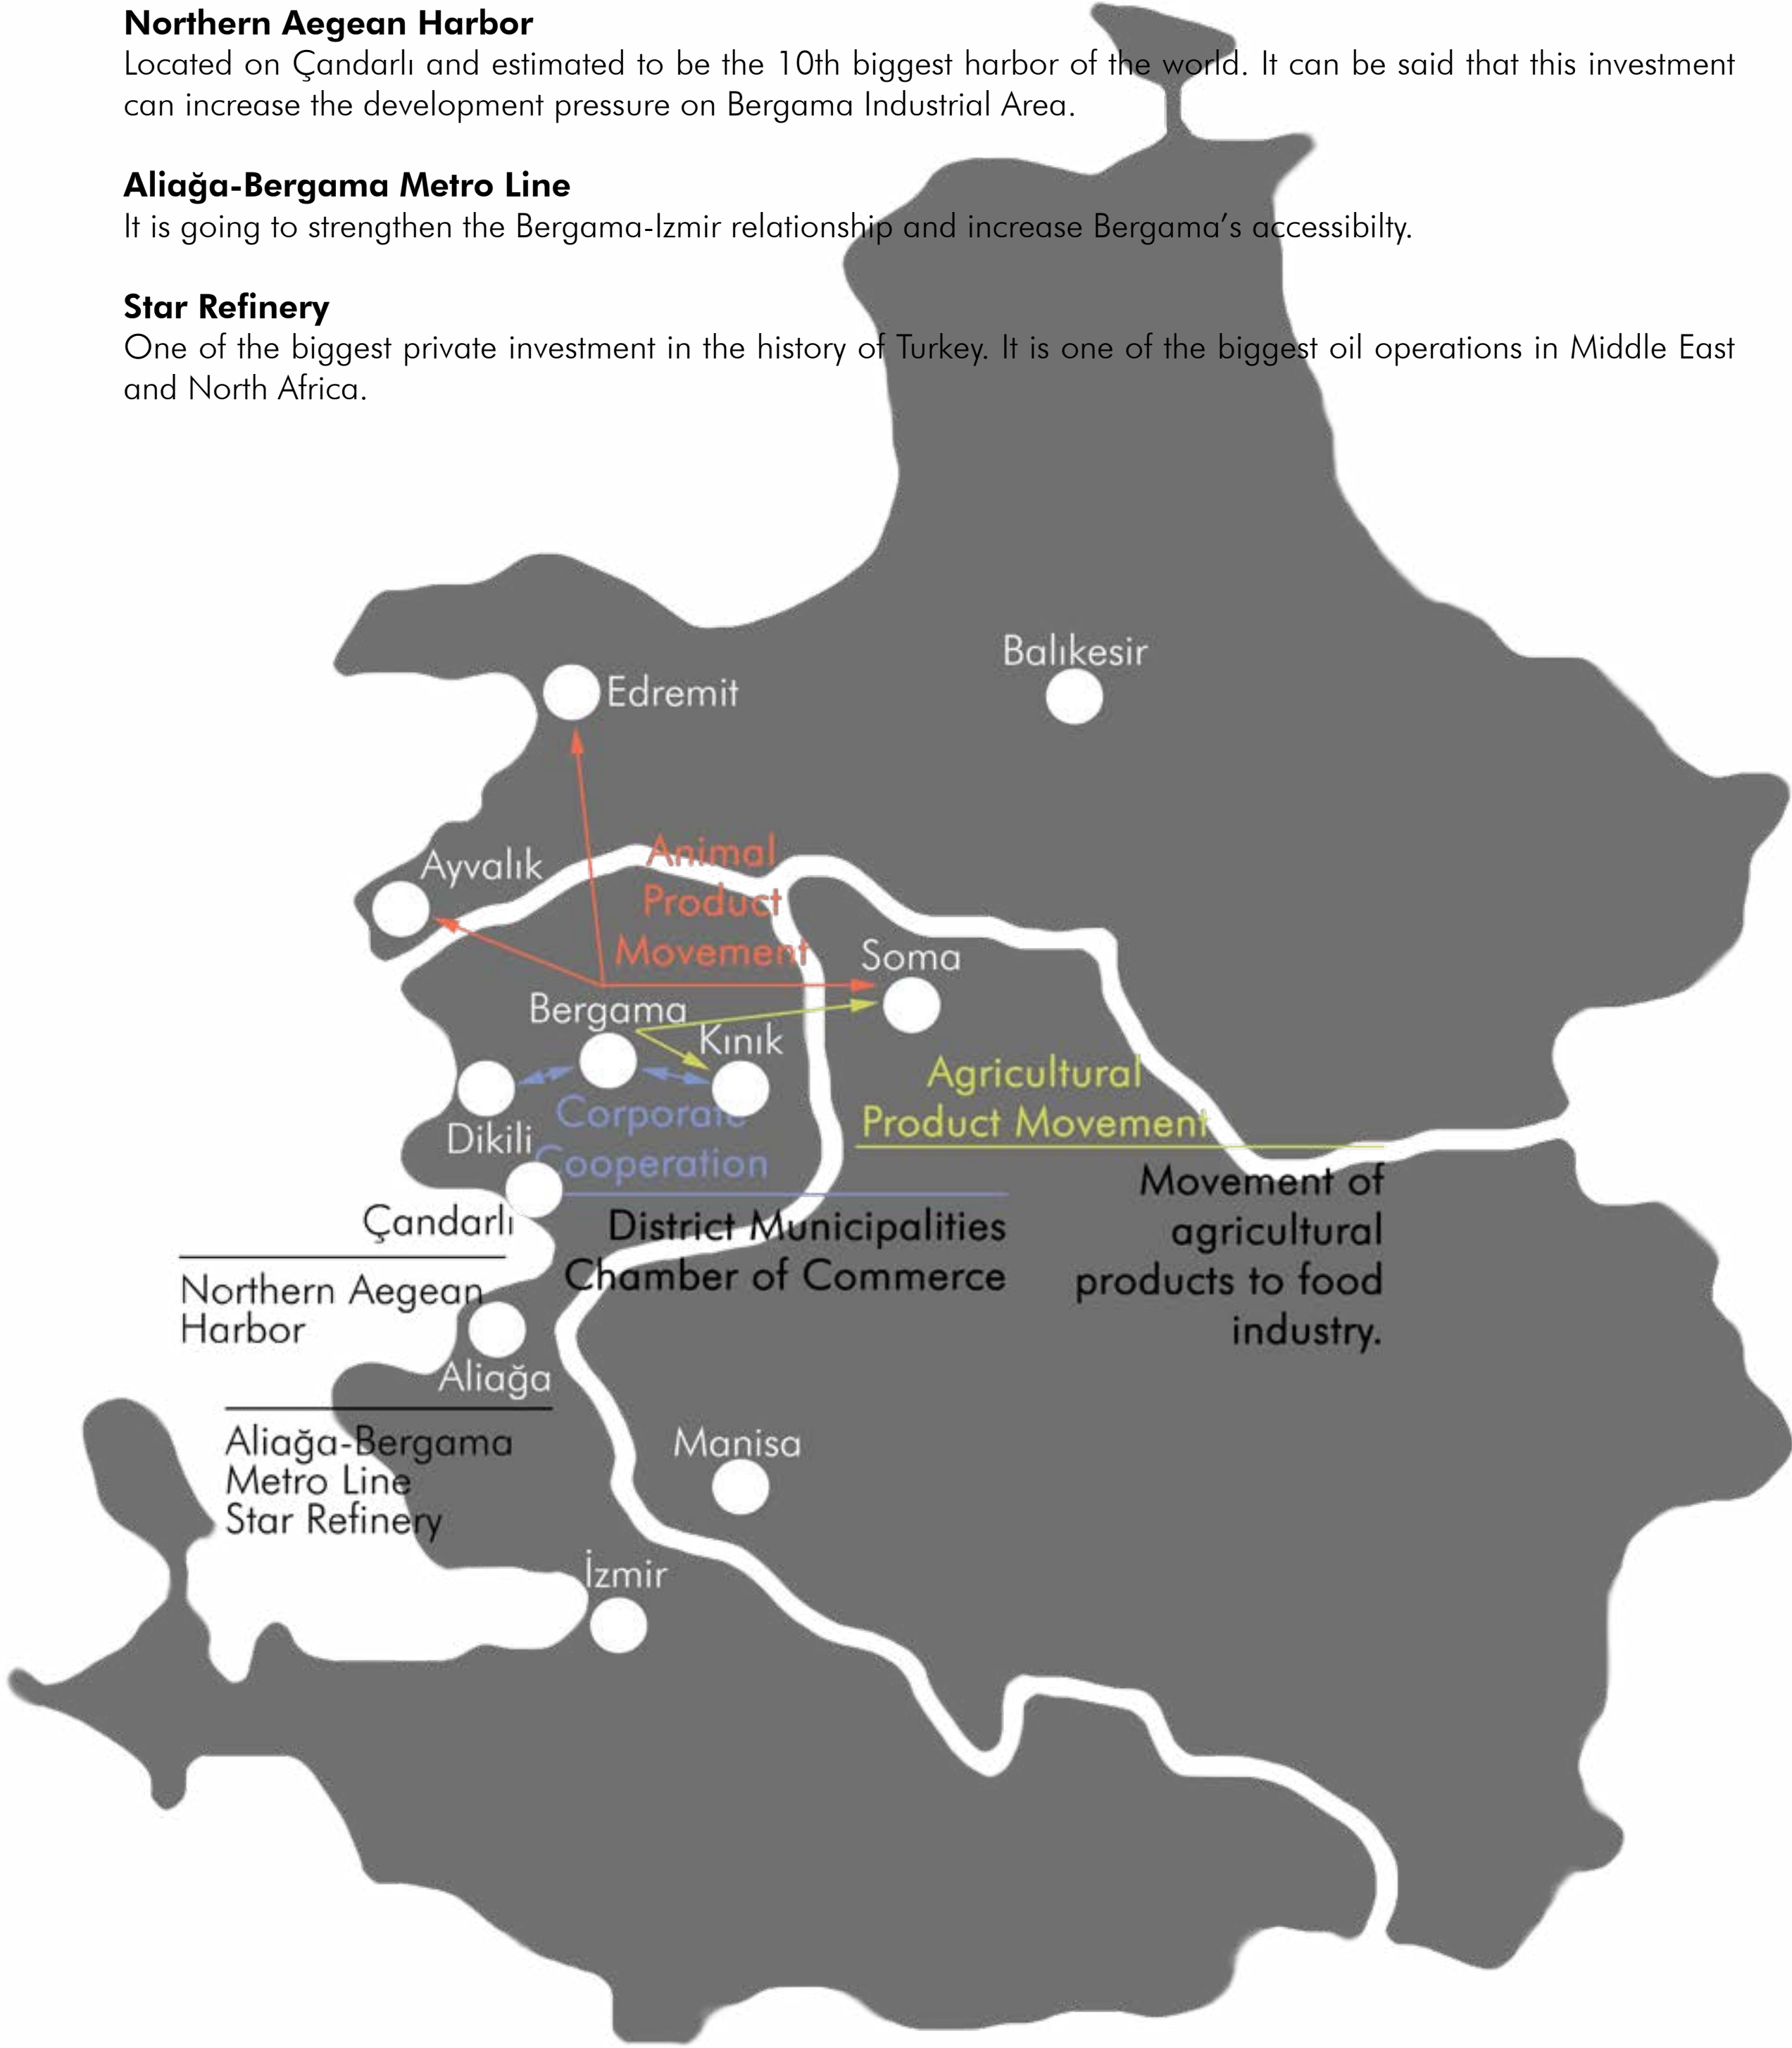

Located on Çandarlı and estimated to be the 10th biggest harbor of the world. It can be said that this investment can increase the development pressure on Bergama Industrial Area.

Aliağa-Bergama Metro Line

It is going to strengthen the Bergama-Izmir relationship and increase Bergama's accessibility.

Star Refinery

One of the biggest private investment in the history of Turkey. It is one of the biggest oil operations in Middle East and North Africa.
